WARRIORS TRUE

By Mr. Walter Fox

Wakefield your Warriors will ever be true,
For you we'll fight and spread your glory too!
Fight! Fight! Fight!
Come let us sing out the Wakefield battle cry,
With thunder clubs and tomahawks
We'll make your name and spread your fame,

WELCOME TO THE 1956-57 SPORTS YEAR!

The boys who participate in the Wakefield interscholastic sports program and the staff members who work with them are gratified that you are in the stands today. The coaches and the team have been working with diligence since the 25th of August, and have taken good advantage of this opportunity to sharpen their game. On the basis of past performance, I can promise you that the team will play a good game today. Our teams have always won more games than they have lost, and winning or losing have played the game well. They have always been well drilled and have conducted themselves with mature good judgment as gentlemen on and off the playing field.

It is with pride that I join you in extending best wishes to our team for a successful football season. I know that you will join with me in welcoming the Northwestern High School team and in making them feel that we appreciate the good football and the high level of sportsmanship that we have come to expect from all the teams that we play. It is our prayer that protection against injury will be granted to the members of both of the teams who are participating in this contest.

Harold M. Wilson, Principal
Wakefield High School
